

# Welcome to Geometry with Mrs. Ammar

My website is a great source of information.  
Please take a minute to check it out.  
You can access it from the Franklin website or  
<http://mrsammar.weebly.com/>

## Description of the class

The emphasis of this course is on geometric figures (including lines, angles, triangles, quadrilaterals, polygons and circles) and their properties. Relationships between two- and three-dimensional representations, congruence, similarity, transformations, proof and logic are also studied in this course. Algebraic concepts are applied and expanded throughout the course.

## Calculation of your grade

### Homework/Classwork

- Checked regularly
- All work must be shown

### Quizzes/Tests

- Given regularly
- If you are absent the day before you are expected to take the quiz

### In the end

- Your grade is figured out of total points
- Add all your points earned and divide by points possible

## Getting credit for the class

- Your semester grade is calculated using:
- First card marking (40%)
- Second card marking (40%)
- Final exam (20%)

## Looking up grades

- I expect students and parents to look up grades on a regular basis using Parent or Student Connection, they can be accessed through the Franklin website.

Mark	Minimum Percent
A	93
A-	90
B+	87
B	83
B-	80
C+	77
C	73
C-	70
D+	67
D	63
D-	60
E	0

## Absences

- You have one day for each day you are absent
- If you are absent the day before a quiz you are expected to take the quiz
- Ask someone in class
- Check my website: (you can get there from Franklin's website)
- If you are absent more than one day you must talk to me

**Being absent often will impact your grade**

**The attendance addendum will be followed.**

## Tardies

- School policies will be followed
- It is expected you will be on time

## Let's have a great semester!!!

- Take good notes
- Do homework everyday
- ASK QUESTIONS!

## Sign up for important updates from Mrs. Ammar.

Get information for Franklin High School right on your phone—not on handouts.

Pick a way to receive messages for Geometry 9:

**A** If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

[rmd.at/fk26c](http://rmd.at/fk26c)

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

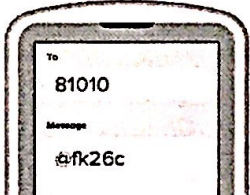

**B** If you don't have a smartphone, get text notifications.

Text the message @fk26c to the number 81010.

If you're having trouble with 81010, try texting @fk26c to (256) 854-2050.

\* Standard text message rates apply.

Don't have a mobile phone? Go to [rmd.at/fk26c](http://rmd.at/fk26c) on a desktop computer to sign up for email notifications.

## Effective Effort

It's not enough just to try hard.  
By effort we mean these six things:

1. Time - A willingness to spend the time needed to finish the job well.
2. Focus - No TV or other distractions; concentrate only on the work!
3. Strategies - If one approach isn't working, keep trying different ways until you find one that works.
4. Resourcefulness - Knowing where to go and whom to ask for help when you're really stuck.
5. Use of Feedback - Looking carefully at responses to your work so you know exactly what to fix.
6. Commitment - Being determined to finish and do the very best work.
